

# PowerPoint 2010, Part 2: Slides, Media and Present

page 1

**Meet the expert:** Our Creative Design courses are presented by experts from Wiley Publishing. Wiley is a global provider of knowledge and knowledge-enabled services that improve outcomes in areas of research, professional practice, and education. They are the publisher of award-winning journals, encyclopedias, books, and online products and services.

**Prerequisites:** This course assumes very little familiarity with Microsoft PowerPoint 2010. This course is part of 2 courses; PowerPoint 2010: Format, Layouts & Graphics; and PowerPoint 2010: Slides, Media & Present. Please be sure to view the courses in order if you are new to the material.

**Runtime:** 01:18:34

**Course description:** In this 2 part learning series you will learn the ins and outs of using PowerPoint 2010. You'll see the basics and options of PowerPoint then move onto writing, formatting and using the outlines. Next you'll see how to create and use layouts, place holders and themes. Then you will see how to create and apply Master pages, apply graphics and create drawings. Then you'll learn how to organize your slides and apply media enhancements. Then you'll close the courses out by learning the different ways to print a PowerPoint presentation and how to publish it.
